

Williamsville Main Street Study Open House

The public and affected stakeholders are invited to attend an upcoming open house for the Williamsville Main Street Study. Williamsville's Main Street refers to the 1.7 km stretch of Princess Street between Division Street and Bath Road/Concession Street – the area is now the subject of an urban design study aimed at revitalizing this section of the city's downtown.

Date: Wednesday, April 6, 2011

Time: 4:00 – 6:00 p.m. and 7:00 – 9:00 p.m.

Location: St. Luke's Anglican Church, 236 Nelson Street

The consulting team of Brook McIlroy Inc. will be presenting its findings to date, and they will lead participants in an interactive discussion about issues relating to the Study Area. They will also be on hand to answer questions, and collect and respond to your comments and issues with the Main Street area.

If you have any questions related to this project, or would like to be added to a contact list to receive updates on the study, please contact the Planning and Development Department of the City at 613-546-4291, ext. 3180, or williamsvillestudy@cityofkingston.ca.
